Bangalore V. Raman, How to Judge a Horoscope, Volume 1, Motilal Banarsidass Publ., 2003, 8120808479, 9788120808478, 2003, How to Judge a Horoscope is a departure from the conventional method of treatment of astrology. It is a study in the use of Horoscope in every man`s daily life. The work in two volumes is divided in twelve houses, containing six each in consecutive order. The twelve houses have reference to the material relation of soul (jeeva) in its journey from the cradle to the grave. The study of illustrations (charts) makes every point even the omitted rudimentary principles and rules very clear and graspable. Vol. I deals with houses I to VI. First House deals with the beginning of life, childhood, health, physical body and character. Second House represents family, face, right eye, food, manners and source of death. Third House rules brothers and sisters, intelligence and other immediate relations. Fourth House indicates peace of mind, home life, land and ancestral properties, education, neck and shoulders. Fifth House indicate children, intelligence, emotions and fame. Sixth House rules over debts, enemies, miseries, sorrows, illness and disappointments. file download fegifev.pdf
